CHITALDRUG DISTRICT.

Memo dated 29th July 1949.

No. F2. 7—49-50. In view of the fact that it has been decided to entrust the distribution of Kerosene oil to the Multipurpose Co-operative Societies in Urban, and Circle Co-operative Societies in Rural areas, it is deemed necessary to revise the wholesale selling and retail rates of Kerosene so as to make provision to meet the handling and other incidental charges to be incurred by these societies. The following rates are fixed with immediate effect.

Place	Wholesale selling rate from Government Depots		Wholesale selling rate by Multipurpose Societies		Retail selling rate per bottle	
	Superior Rs.	Inferior Rs.	Sup. Rs.	Inf. Rs.	Sup. Rs.	Inf. Rs.
Chellakere	6 7 9	6 4 9	6 13 0	6 10 0	0 4 6	0 4 6
Jagalur ...	6 9 3	6 6 3	6 12 3	6 9 3	0 4 9	0 4 6

(EXTRACT)

The above rates are for supplies made in bright plate tins. Due to shortage of tins, issues should not be made in tins but bulk oil only should be sold and empty tins conserved. But issues from Government depots to Multipurpose Co-operative Societies *in the first month* will be made in tins and the issues in subsequent months will be made only on the return of empty tins.

2. On the bulk sales, 0-10-0 (Ten annas) per tin may be deducted out of the wholesale rates noted above.
